Tipping danger

## MONDO

### **READ INSTRUCTIONS CAREFULLY BEFORE USE**

- Make sure the mirror is standing on a levelled surface and that all four legs are firmly placed on the floor. If not, then adjust the screws under the legs to level.
- Minimum two people are required when moving the mirror. Never attempt to move it alone.
- Take extra care if the mirror is placed in an area with children or animals and ensure they are able to stay clear of the mirror.
- Do not let children play with or in proximity to the mirror.
- The bar on the back of the mirror is only suited for hanging clothes. Do not use for any other purpose.
